Colorado Voluntary Organizations Active in Disaster (COVOAD) is a network of voluntary organizations working together to encourage more efficient service delivery to people affected by disasters in the State of Colorado. COVOAD achieves this by facilitating effective cooperation, coordination, communication, and collaboration at all community levels, and by providing a platform to foster partnerships among non-profit and faith-based organizations, the private sector, and government agencies.

COVOAD'S Mission:

Colorado Voluntary Organizations Active in Disaster

Quick Reference Guide for Emergency Managers
